Water Pumps/Engine Mounts on Flathead Fords and Mercurys also served as engine mounts. Complete kits include your choice depending on model. Please choose the corresponding Water Pump Components for your application below.

Serpentine Belt Assembly

The serpentine belt assembly is a great addition to a flat head Ford even without the supercharger. We sell it as a kit—complete with belt—or in pieces.

Complete serpentine belt assembly \$1164.70

Individual Serpentine Kit Components

89003	Dayco Idler pulley	\$ 32.00	38163	Gates tensioner	\$ 99.00
